Karnataka State Rural Livelihood Promotion Society

Karnataka State Rural Livelihoods Promotion Society (KSRLPS) has to bring synergy between **Swachh Bharat Abhiyan** and work of NRLM. The campaign would ensure participation of all sections of the community. The entire mission aims at complete elimination of open defecation, constructing public and community toilets, maintenance of toilets, municipal solid waste management, cleaning of roads and pavements and most important of all, changing the mindset of the people and encouraging them to be cleanliness conscious.

To implement Swachh Bharat Abhiyan in Karnataka, KSRLPS is seeking to hire a young & dynamic individual consultant for a period 6 to 9 Months who shall be responsible for kick off start up activities like preparation of implementation plan, IEC activities, capacity building etc.,

The individual consultants who are interested in being considered for this assignment should fulfil the following criteria:

The consultant should have, at a minimum, the following:

- An excellent academic record including a Master's degree.
- At least 3-5 years of working experience in the areas of sanitation, health, environment and Social Sector.
- Excellent written as well as verbal communication skills in English as well as Kannada.

Proposals should be sent to recruitment.sba2014@gmail.com, before **22 November 2014**. It may be noted that the selection of the consultant of the applications will be on the basis of the weightage being 100% for the academics & past experience.

The selected consultant may be offered a consolidated pay of Rs 40,000 – 45,000 per month.

Evaluation Criteria

Technical	Activity	Marks
	Qualification	30
	Overall Professional Experience	30
	Past experience in Health & Sanitation	40
	Total Marks	100

The shortlisted applicants are required to attend the personal interview. Date & time of interview will be communicated post screening the proposals.
