Respected Sir,

Sub:- Implementation of Solid and Liquid Waste management-
issued of Guidelines - Reg.

Solid and Liquid Waste Management is one of the sub-components of Nirmal Bharat Abhiyan Programme, wherein financial assistance, in the form of a centrally sponsored programme is made available to the Gram Panchayaths to create and maintain infrastructure for solid and liquid waste generated at the Village and Panchayath levels. I am enclosing herewith the GO bearing No.RDPR/SWSM/NBA-SLWM/67/2012-13, dated 09.11.2012 which contain the detailed guidelines for implementation SLWM programme. The technological options available, the scale of finance and the procedure to be followed to avail the assistance are detailed in the Annexures, annexed to the Government Order. You are requested to choose the technological option suitable to the Gram Panchayaths, build up detailed proposals along with the detailed project reports covering operation and management strategies, type designs with the estimates and forward the same to this office to enable to place the same before the state level scheme sanctioning committee and communicate the approval at an early date.

Yours faithfully,

(M.Deepa)
