Sir,

Sub: SECC-2011 -Procedure to be followed for Data Deletion-  
Reg.

-:oOo:-

Hitherto, request for Data Deletion of SECC-2011 was made by either BEL, Bangalore or Principal SECC-2011 Officers.

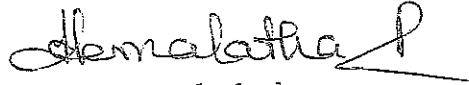

After the receipt, the Government used to send the same either to BEL or Principal SECC-2011 Officer, for confirmation before sending the request to NIC for Data deletion. This procedure is time consuming. In order to simplify the same, it was decided during the Video Conference held on 11.07.2013 under the chairmanship of the Secretary that the following procedure has to be followed:

- i) If the BEL, Bangalore requests for Data deletion, a copy of the same should be sent to the concerned Principal SECC-2011 Officer, with a request to verify and send confirmation to the Government for further action.

-: 2 :-

- ii) If the Principal SECC-2011 Officer requests for Data deletion, they should mark a copy of the same to BEL, Bangalore with a request to send confirmation to Government for further action.
- iii) The BEL and Principal SECC-2011 Officer, has to further confirm whether the requested Data is deleted and fresh Data is re-uploaded.

Yours faithfully,

[P.Hemalatha]

Director [SEP] &

State SECC-2011 Nodal Officer,
