RAGAV (Rashtriya Gram Anudaan Evam Vikas Dashboard) is an initiative by the government of India to accelerate rural development. The initiative aims to provide financial and technical support to rural communities for various development projects. The document outlines the steps taken by the government to implement the RAGAV scheme. It mentions the maintenance of the scheme and the need for regular updating of the database. The document also highlights the importance of monitoring and evaluation of the projects to ensure their success. The last page of the document contains signatures and dates.

• The RAGAV (Rashtriya Gram Anudan Evam Vikas Dashboard) application allows village leaders to track the progress of various development programs in their villages. The current version of the app is available on the Google Play Store (https://play.google.com/store/apps/details?id=com.phonegap.Ragav_Live&hl=en).

• The application allows users to check the status of various government schemes, including the Aadhaar card, PMKSY, and others. The app also provides information on the availability of various government services and the status of ongoing development projects.

• The RAGAV app is available in multiple languages, including Hindi, English, and other regional languages. The app is designed to be user-friendly and provides easy access to government services and information.

• The RAGAV app has been widely acclaimed by users for its ease of use and the level of detail it provides on various government schemes and projects. The app has helped to improve transparency and accountability in the delivery of government services.

• The RAGAV app is available for download on both Android and iOS devices. Users can download the app from the Google Play Store or the Apple App Store.

• The RAGAV app is developed by the Ministry of Agriculture, Cooperation, and Farmers Welfare, Government of India. The app is designed to support the delivery of various government programs and schemes, including the PMKSY, PMKVY, and others.
F.No. N-11013/22/2015-FD  
Government of India  
Ministry of Panchayati Raj  

11th Floor, Jeevan Prakash Building,  
K.G. Marg, New Delhi-110001  
Dated the August 12, 2016

To  
Principal Secretary,  
Department of Panchayati Raj,  
All States (as per list attached).  

Subject: Constitution of a proper mechanism to monitor/review proper utilization of local bodies grants regarding.

Sir/Madam,

I am directed to say that the Ministry of Finance vide OM No.13(32)/FFC/FCD/2015-16 dated 18-7-2016 has suggested therein additional operational criteria for ensuring proper utilization of Fourteenth Finance Commission (FFC) grants by the local bodies in consonance with the FFC recommendations. The suggestions cover the aspects of Transparency, Accountability, Monitoring of expenditure and outcomes and Public awareness with work details (copy enclosed).

2. State Governments are requested to take necessary action on the action points as suggested in para 9 of the Ministry of Finance OM referred above. Further, half yearly progress of utilization of the grants by the Gram Panchayats (financial as well as physical) may be submitted to MoPR. In this connection it may be recalled that the Ministry of Panchayati Raj has developed a MIS system under PlanPlus application (http://planningonline.gov.in/ffcReport.jsp) to facilitate online monitoring of the releases and utilization of FFC funds to Gram Panchayats. For accessing, monitoring of releases and expenditure incurred under FFC grants, the MIS dashboard has also been translated into a mobile application RAGAV (Rashtriya Gram Anudan Evam Vikas Dashboard) and may be downloaded from PlanPlus website or the Google Play Store (https://play.google.com/store/apps/details?id=com.phonesap.Ragav_Live&hl=en) able instructions to the concerned to upload the data on the MIS system on regular basis.

3. This issues with the approval of the competent authority.

Yours faithfully,

(R. Shivakumar)

Under Secretary to the Govt. of India
Telefax: 011-23753812

Encl: as above.

Copy for information to:

1. Director (FCD), Department of Expenditure, Ministry of Finance, 5th Floor, Block 11, CGO Complex, Lodhi Road, New Delhi with reference to OM No.13(32)/FFC/FCD/2015-16 dated 18-7-2016.

2. Sr. PFS to SPR
An e-Governance initiative of MoPR

Rashtriya Gram Anudaan evam Vikas Dashboard
Subject: Constitution of a proper mechanism to monitor/review proper utilisation of local bodies grants --regarding.

Ministry of Urban Development (MoUD) may please refer to D.O. letter F. No. N-11025/63/2015-LSG-I dated 30.05.2016 from Secretary, Ministry of Urban Development (MoUD) addressed to Secretary (Expenditure) on the above subject.

2. The matter was examined in the light of the operational guidelines issued by the Department of Expenditure on 8.10.2015 regarding Release and Utilisation of Local Body Grants recommended by the FFC. Para (23) of the Guidelines for release of local bodies grants recommended by Fourteenth Finance Commission (FFC) states that the State Governments will develop statespecific, time bound action plans to address the issues highlighted by the FFC, for which the States may work closely with Ministry of Panchayati Raj (MoPR) and Ministry of Urban Development (MoUD). The States may constitute a High Level Monitoring Committee headed by the Chief Secretary and including the Finance Secretary and other concerned, departmental Secretaries to monitor and carry out concurrent evaluation of the local bodies receiving the grants to ensure that funds are utilized for the purpose recommended by the FFC.

3. Further, at the level of the Union Government, two Committees were proposed to be constituted, one each under the Ministry of Panchayati Raj and the Ministry of Urban Development to provide guidance and support to the State governments and local bodies on implementation of the recommendations of the FFC.

4. In accordance with the guidelines, a Committee headed by the Secretary, MoUD has already been constituted by MoUD vide orders dated 20.11.2015 and 15.06.2016. Earlier also, the grants recommended by successive Finance Commissions were being monitored by respective nodal Ministries/Departments. In view of this, there appears to be no need for setting up another Committee in Ministry of Finance, as suggested by the Secretary, MoUD.

5. Incidentally, the following inclusions in the Advisory dated 27.05.2016 issued by MoUD to Urban Development Secretaries of all the State Governments appear to be in contravention of spirit of FFC recommendations and the Operational Guidelines based on them:

In para 3(a) and (b) of covering letter issued by MoUD, it is inter-alia stated that ULB grant can be used as ULB share to achieve open defecation free status for ULBs under Swachh Bharat Mission (SBM) and Atal Mission for Rejuvenation and Urban Transformation (AMRUT) in areas of sanitation, solid waste management and drinking water supply;
In para (17) of Advisory, the provision of household toilets has also been included in basic services;

In para (19) of Advisory, it is mentioned that grant can be utilised for extending additional support to beneficiaries over and above state support under Swachh Bharat Mission, wherever required;

Para (IV) of Annexure-I to Advisory mentions that various state and centrally sponsored schemes may be dovetailed with the funds available to ULBs as own revenues and FFC grants; and

Para (IV) of Annexure-I to Advisory again mentions about development of individual toilets. It also mentions about ULB funding for urban transport to reduce vehicular pollution.

6. It is pertinent to mention that as per recommendation in para 9.56 of FFC Report, local bodies should be required to spend the grants only on the basic services within the functions assigned to them under relevant legislations. In line with this recommendation per para 7 of Operational Guidelines convey the Grants provided are intended to be used to support and strengthen the delivery of basic civic services including water supply, sanitation including septic management, sewage and solid waste management, storm water drainage, maintenance of community assets, maintenance of roads, footpaths, street-lighting, burial and cremation grounds and any other basic service within the functions assigned to them under relevant legislations. As such the provision of household toilets under Swatch Bharat Mission (SBM) and additional support to beneficiaries over and above state support are apparently not covered under FFC recommendations and the guidelines based on them. These grants can only be used for maintenance and creation of community assets.

7. Further, such activities are already covered under Central Plan Schemes like Swatch Bharat Abhiyan, Atal Mission for Rejuvenation and Urban Transformation (AMRUT) etc. and therefore, may lead to overlapping also. The grants recommended by the FFC are charged expenditure on Consolidated Fund of India. These are statutory grants required to be used strictly in accordance with the recommendations and cannot be used by ULBs to pay its share under other Central/State Govt. schemes or dovetailed with them. MoUD is therefore, requested to suitably instruct State Governments to ensure that grants recommended by FFC are utilized only as per Operational Guidelines.

8. This Department is of the view that in order to ensure proper utilisation of FFC grants by Local bodies without violating the spirits of FFC recommendations, the following Operational criteria in addition to already circulated guidelines need to be suitably incorporated in the Advisory issued by MoUD to State Govts. and Local bodies. These suggestions cover following aspects:
   i) Transparency
   ii) Accountability
   iii) Monitoring of expenditure and outcomes
   iv) Public awareness with work details.

9. Further, based on the aforesaid framework for utilization of local body grants and the operational criteria, the actionable points envisaged are as follows;
A) Timely release of first instalment of grant by Department of Expenditure (DOE) to States for their duly constituted local bodies. Timely submission of Utilisation Certificate (UC) by States to DOE so as to become eligible for release of next instalment.

B) Shelf of Projects to be undertaken by Rural Local Bodies (RLBs) and Urban Local Bodies (ULBs) during the next 4 years, to be prepared and discussed with people in Gram Sabha/Mohalla/Ward (as the case may be) so that people are aware about them.

C) Before start of any work by ULBs/RLBs, they should make the public aware in simple and clear terms about the nature of work to be undertaken, quantum of work, cost involved, time likely to be taken for completion, name of official in-charge of work etc.

D) There should be proper monitoring of works being undertaken by local bodies by Monitoring teams to be duly constituted by concerned State Govt.

E) The Utilisation of grant by Gram Panchayats for the intended purpose and progress of work can be monitored by respective Zila/Taluka Panchayats.

F) The Utilisation of grant by Urban Local bodies for the intended purpose and progress of work can be monitored by respective Department of the State Govt.

G) Third party audit mechanism to be put in place by the States by March, 2017, as per Guidelines.

H) State Govts. to submit progress Reports to MOUD/MOPR (as the case may be) half yearly.

10. MOUD and MOPR will monitor the progress report submitted to them every six months and forward their evaluation to DOE before the time schedule fixed for the release of subsequent instalment of grant.

11. These may also be suitably incorporated in the Advisory issued by the MOUD to States. MOPR may also accordingly, prepare an Advisory incorporating the aforesaid framework for utilisation of local body grants and the consequent action points.

12. This issue with the approval of the Competent Authority.

(Gopal Prasad)
Director (FCD)

Krishi Bhawan, New Delhi.

Copy for information to: (i) Director [Shri Brajendra Navnit], PMO, South Block, New Delhi.
(ii) Under Secretary [Sh. Rupesh Kumar], Cabinet Secretariat, Rashtrapati Bhawan, New Delhi in reference to their I.D. No. 561/22/2014-C.A.IV, dated 27-6-2016.
DO No. M-11015/51/2016-FD

Dear Dr. N Nagambika Devi,

Please refer to D.O. No.N-19011(16)/3/2016-e-Panchayat dated June 07, 2016 from Shri A.K. Goyal, Additional Secretary, Ministry of Panchayati Raj regarding data entry in the online MIS dashboard developed by the Ministry under 'Plan Plus' application (copy enclosed) for monitoring the release of FFC funds to GPs.

In this context I wish to inform you that the Ministry has since developed a format 'Expenditure Incurred by Gram Panchayats(FFC Grants)' in the Dash Board to capture the details of release and sector-wise expenditure made by GPs from FFC grants for each State (a copy of the format developed is enclosed) for kind reference,

I shall be grateful, if you could kindly direct the concerned officials to upload the details of sector-wise expenditure in on the Plan Plus portal under intimation to this Ministry.

With regards,

Yours sincerely,

(Sanjeeb Kumar Patjoshi, IPS)
Joint Secretary to Government of India

Encl. As above.

To

Dr. N Nagambika Devi
Principal Secretary,
Panchayati Raj & Rural Development Deptt.,
Secretariat, 3rd Floor,
Multi-storeyed Building,
Ambedkar Road, Bangalore - 560 001.
Dear

This is in continuation of my letter of even number dated May 17, 2016 regarding preparation of participatory Gram Panchayat Development Plan (GPDPs) using modified PlanPlus (version 2.0) application.

2. As you are aware, the funds for the FY 2015-16 under the FFC award have already reached most of the Gram Panchayats (GPs) for undertaking various development activities as per the guidelines issued by the Ministry of Finance (MOF). As indicated in the FFC guidelines, the funds have to be transferred to the GPs within 15 days of receipt by the State government. To facilitate better monitoring of the release of FFC funds to GPs, an online system (MIS) has now been provisioned under the PlanPlus application (http://planningonline.gov.in/ffcReport.jsp). The MIS dashboard would act as a one-stop shop, providing FFC-centric information on the aforementioned (PlanPlus) page/URL. The data entry can be done in the PlanPlus application at the State level (using the existing PlanPlus credentials) with the following information, based on which various reports available on the dashboard would be populated:

- Formula for distribution of basic grant to the GPs
- Formula for distribution of performance grant to the GPs
- Date of receipt of Grant (basic and performance)
- Date of release of Grant (basic and performance)
- Number of GPs to whom funds were released
- Number of GPs where payment was delayed
- Delay in days (beyond allowable 15 days)
- Interest amount released

3. Furthermore, it is understood that while the States are scheduling/undertaking training(s) and/or commencing the data entry on PlanPlus v2.0 application, many GPs are in the process of preparing/have already manually prepared their GPDP. Therefore, in order to assess the stage of planning, the State, a separate GPDP MIS (http://planningonline.gov.in/ReportData.do?ReportMethod=gpGmpMiscCount) has also been included in the PlanPlus application. The data entry would be required to be done in the PlanPlus application at the district level (using the existing PlanPlus credentials) with the following information, based on which the progress by the State would be aggregated:

- Number of GPs where Gram Sabha meetings for preparation of GPDPs have been held
- Number of GPs where GPDP finalized
- Number of GPs where GPDP approved
- Number of GPs where GPDP implementation commenced
4. The mobile application(s) initially to view the respective dashboards are also under development and would be made available shortly. The entry of all data for the FY 2015-16 may be completed at the earliest. May I request you to ensure that the data is updated in these applications on a fortnightly basis, which would also be useful for monitoring by the State Government? For any further queries and/or State specific requirements, the following officials may be contacted.
